

### Costs

This inaugural seminar invites 8 participants to train as the foundational faculty for this groundbreaking model. Tuition is waived for the 2024 seminar, and 8 travel scholarships will be available to help defray travel costs.

### Scholarships

For scholarship application information as well as complete syllabi, please visit [www.wjbrooksdo.com/seminars](http://www.wjbrooksdo.com/seminars). Please submit scholarship applications and required documentation to [wjbrooksdo@gmail.com](mailto:wjbrooksdo@gmail.com) prior to May 1, 2024. Scholarships will be awarded prior to June 1, 2024.

### Lodging

A block of rooms has been reserved for seminar participants at the Sheraton Tucson Hotel and Suites, 5151 East Grant Road, Tucson, AZ 85712. *After your participation is confirmed*, please reserve your room for BOTH sessions by calling 1-800-325-3535 or following a link provided with your acceptance notification. Mention "Functional Pathology of the Musculoskeletal System". This block of rooms will be held until 07/24/24.

Complimentary Wi-Fi and breakfast buffet are included in room rate. The special rate is \$104 per night for a standard room and \$119 for a suite. Room rates do not include current tax 12.07% + \$4.00 per night city surtax.

### Meals

Lunch will be provided on location on Thursdays, Fridays, and Saturdays. Dinners are "on your own."

### Faculty

#### William Brooks, DO

Dr William Brooks began his osteopathic manipulative medicine (OMM) practice in 1981 alongside Robert Fulford, DO, his primary professional mentor. Since then, he has continued to develop his creative work: the **"Functional Pathology of the Musculoskeletal System"** (FPMSS) paradigm. In both private practice and academic settings, Dr. Brooks' clinical foci have been caring for patients with multiregional, chronic, tertiary MSS pain syndromes including headache as well patients with persistent post-concussion syndrome and children with developmental delays.

- Doctor of Osteopathy, Chicago College of Osteopathic Medicine, Chicago, IL 1980; Psychiatry Fellowship 1997-1980
- Internship, Tucson General Hospital, Tucson, AZ 1980-1981
- American Osteopathic Board of Neuromusculoskeletal Medicine, Board Certified 1991
- <https://www.wjbrooksdo.com/curriculum-vitae>

#### Shane Patterson, DO

Dr M. Shane Patterson is an internist providing comprehensive primary care since 2003 utilizing OMM based on the FPMSS paradigm at Osteopathic Health Care Associates, of which he is founder and CEO. His patient population includes patients with multi-regional, chronic, tertiary musculoskeletal pain syndromes including headache; Long COVID; and post-concussive syndrome. He regularly mentors Henry Fords' osteopathic medical students and residents in OMM.

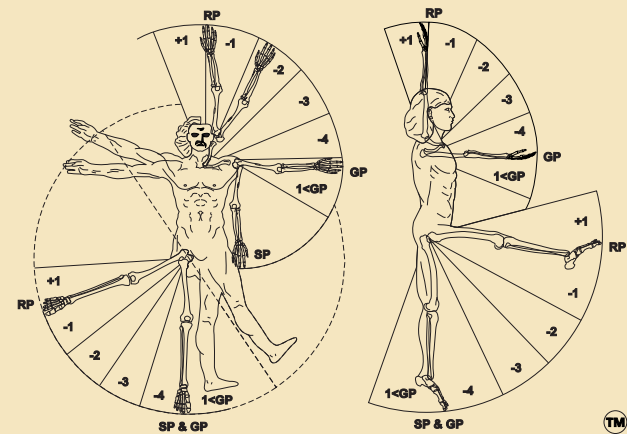

- Doctor of Osteopathy, Kansas City University College of Osteopathic Medicine, Kansas City, MO 1998; Osteopathic Principles and Practice Fellowship 1997-1998
- Internship, Bi-County Community Hospital/Henry Ford Hospitals, Warren MI 1998-1999
- Family Medicine, Saint John West Shore Hospital, Westlake, OH 1999-2000
- Internal Medicine, Bi-County Community Hospital/Henry Ford Hospitals, Warren MI 2000-2002; American Osteopathic Board of Internal Medicine, Board Certified 2008
- <https://ohcmedicine.com>

#### Alan Yee, DO

Dr Alan Yee is a critical care neurologist at the U of CA Davis COM caring exclusively for adults with critical brain disease. His scholarship interests focus on the impact of musculoskeletal health on quality-of-life among stroke survivors and the potential role of OMM based on the FPMSS paradigm during stroke recovery. He has additional interest in medical curricula development for acute and emergency neurology education. His prior work focused on improving neurological prognostication in patients with critical brain disease.

- Doctor of Osteopathy, Kansas City University College of Osteopathic Medicine, Kansas City, MO 2004
- Internship, Cleveland Clinic Foundation, Cleveland OH 2004- 2005
- Internal Medicine, Cleveland Clinic Foundation, Cleveland OH 2005- 2007; American Board of Internal Medicine, Board Certified, 2007
- Neurology, The Mayo Clinic, Rochester MN 2007-2010; American Board of Psychiatry and Neurology - Neurology, Board Certified, 2010
- Fellowship Neurology/Neurocritical Care, University of California San Francisco, San Francisco CA 2010-2012; United Council of Neurologic Subspecialties - Neurocritical Care, Certified, 2013
